

REMARKS

By this Amendment, claims 1 and 3 have been amended. No claims have been canceled and no claims have been added. No new matter has been added via this Amendment.

In paragraph 1 of the Office Action, Claims 1-4 and 9-11 have been rejected under 35 U.S.C. §112, second paragraph, as indefinite. The Examiner contends the recitation of a proviso in claim 1 to exclude certain claims and then reciting the genus of B in claim 1 renders the claim indefinite. The Examiner further contended this rejection also applies to claim 3.

By this Amendment, the recitation of the B genus in claims 1 and 3 has been deleted. Accordingly, the pending rejection is believed overcome.

No fee is believed due from the filing of this Amendment. If a fee is due, however, please deduct it from our Account No. 50-4026.

A good faith effort has been made to place this application in condition for allowance. If the Examiner has any questions or comments, he is invited to contact the undersigned at the below direct dial number.
